pushbuttons

US90-15

US90-15

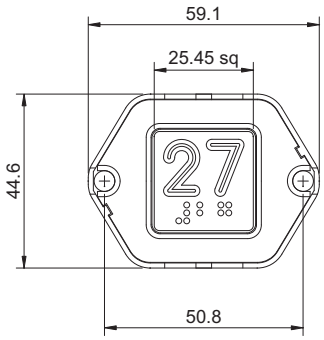

The US90-15 Braille pushbutton meets all the requirements of the visually impaired. As well as the 15mm high tactile legend, Standard English Braille dots are embossed onto the pushbutton. The illuminated tactile legend provides clear identification and the button can be illuminated in a wide variety of colours. The US90-15 is available with the standard Compact 2 body, or Compact 2 Micro, a useful option for surface mount fixtures.

key features

- 15mm tactile legend with Braille
- Legend and halo illumination
