pushbuttons

US94

US94

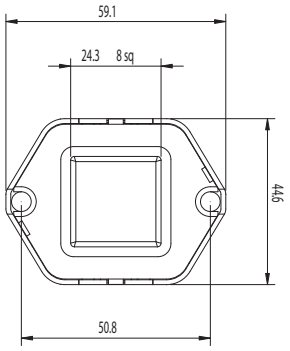

The US94 pushbutton is a classic square button with a clean timeless appearance. It has a black surround with an opal pressel, which is covered by a clear cap. On call acceptance the whole of the opal pressel illuminates and there are a wide variety of colour options. The US94 is available with the standard Compact 2 body, or Compact 2 Micro, a useful option for surface mount fixtures.

key features
